

# HE PUKE MAARATIA

Te Kura Kaupapa Māori o Tuia te Matangi  
Kia Wairua Māori! Kia Tangata Māori!

Kia Reo Māori! Ana te Hā!

Te Wāhanga 1, Wiki 5 – Rāhina 24 Huitanguru 2020

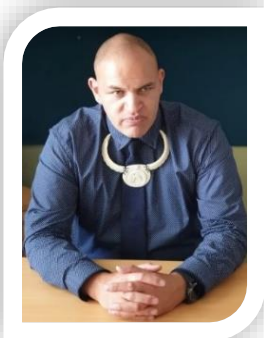

## Te Aho Matua

24/2/20 1. TE IRA TANGATA

1.2 Tino motuhake enei ahuatanga katoa. Ko tenei hoki te kakano i ruia mai i Rangiaatea. E kore ia e ngaro. Engari, ko ta ngā matua, ko ta te whānau, ko ta te kura hoki, he mea awhi, he mea whangai, he mea whakaako i te tamaiti kia tupu ora ai tona katoa i roto, i te tika me te maungarongo.

02/03/20 1. TE IRA TANGATA

1.3 Kia pakeke te tangata, kei a ia ano ana tikanga, mana ano e whakatau ko tewhea te huarahi e hiahia ana ia ki te whai, otira e tika ana mona. Heoi ano, ahakoa iti ahakoa rahi kei a ia tenei. Engari, mehemea i tipu ora tona katoa, e kore ia e paheke ki te he.

*Rutua ā roto  
Kaikaiāwarohia tou ara  
Kia pāpaki au tai  
Ki tō mana! Ki tō whenua!*

Kia ora tātau katoa! Coughs, colds, flu and chest infections have been plaguing our kaimahi over the past couple of weeks and I am mindful of the overall health of our ākonga and whānau.

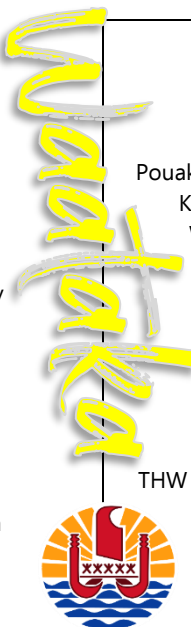

Dr. Nick Baker, a senior paediatrician at NMHDB, recently spoke to the media about concerns surrounding the coronavirus and the adverse affects this could have on our regional health providers. I encourage us all to be ready, 'just in case' we are placed in quarantined situations, by making sure we have our own supplies at home, such as extra foods, water and medical supplies.

With the recent resignation of Toro Wayne Hemi, and the short notice for whānau to adjust pick-up & drop-off times, I express my appreciation to our whānau for being adaptable to this need. In doing so, I also acknowledge Whaea Alena who has been covering both transport runs, and the stellar job she is doing! I am actively seeking driver options and have a timeline, by term 2, preferably sooner, to have something more permanent in place.

It has been quite wonderful to hear our ākonga and pouako work so enthusiastically on learning the french language. My mokopuna said to me the other day, "Bonjour Toro Pā", as easily as he would have done in te reo Māori! Just a note, that studies have identified that children who learn multiple languages are more empathetic, and improves their cognitive & literacy skills.

Lastly, I want to take some time to recognise all kaihaka that took the regional stage in the weekend for the Te Taihū o te Waka a Māui Senior Regional Kapa Haka Competitions, also being the Te Matatini 2021 qualifier. The time, effort, and commitment needed to prepare for such a campaign must be acknowledged for them, and all those that work seamlessly in the background to get things done is truly humbling. It was heart-warming to see so many of our rangatahi, pouako, parents, whānau standing in kapa, supporting this kaupapa. What a great example for our tamariki to set us in good stead for our upcoming Regional Te Mana Kuratahi qualifier in September. We wish Kia Ngāwari and Te Kapa Haka o Kura Tai Waka well in their national campaigns to represent Te Taihū o te Waka a Māui at Te Matatini 2021 - Kia hūkere te hoe!

Turou Hawaiiki!

TAHITI 2022 FUNDRAISER  
Fri 27-Sat 28 MARCH 2020  
Richmond Warehouse  
Lead: Matua Antz de Thierry

A reminder from our last HPM:

I encourage every whānau available to come & support these efforts. You will note that this fundraiser

is for our 2022 Haerenga ki Tahiti and may we all be reminded of the financial demands for such an undertaking will be big! Here are the details, contact me directly if you have any Q's or concerns:

- Whānau will need to be available both nights
- There may be a couple of hours training a few days prior to.
- Monies will come to the kura but deposited in our Tahiti fundraising account against your name.
- I will need to confirm the absolute youngest age that can do the stocktake, watch this space!
- Please get back to me either via FB or ring through to the tari and leave a message with Whaea Janis. Cut-off date for taking names was Tues 11/2, this is now extended to 27/2/20.

## STUDENT QUICK VIEW FORMS

Thank you to whānau who have returned these forms. We, however, have a few forms outstanding, and the need to return these is important. Whaea Janis will continue to contact whānau, however, please take responsibility for following this up personally.

A huge mihi to all whānau who have been working hard to contact the tari with absence messages. Whaea Janis has been away sick, but the normal process is that we would acknowledge receipt of any absence messages by quick reply, so you know we have received your message and recorded it accordingly.

## Uniform Code

A reminder from our last HPM:

- Ākonga are still allowed to wear their purple kura-code jackets, if they have them This will be allowed for 2020, but then all ākonga will need to move into the black jackets the following 2021 school year.
- Black non-code jackets are no longer to be worn during kura time. The kura-code jackets can be purchased directly from Cap-it-All Promotions, 03-5468 030, Vickerman Street, Nelson.
- We have replaced the discontinued P.E tees, and they are ready for ordering! Only Yr7-yr13 ākonga require the P.E tees. Whilst we do offer the black sports shorts, we are very aware that other stockists, such as Kmart and The Warehouse, also stock them for a far cheaper cost. Therefore, the description is simple: solid black sports shorts (not basketball length) that sit just above the knee point.

## RIPPA RUGBY

A couple of weeks ago, Matua Jase Sam put a post up on our Facebook page regarding organising kura teams for the Mako Rippa & Rip Rugby competition.

Unfortunately we have only had a few tamariki interested, so if you missed the memo and really want your tamariki to be a part of the teams, please contact Whaea Janis as soon as possible in the tari. She will take your details and pass them on to Matua Jase & Whaea Roi, who are leading this kaupapa (or contact them via FB messenger directly). Games start in the next couple of weeks, so kia kaha whānau!

## KI-O-RAHI TOURNAMENT

Our Wharekura ākonga will be heading off to Golden Bay tomorrow (Thursday) to compete in the secondary schools Ki-o-Rahi tournament. I have been in direct communications with our mātua letting them know what preparations need to be done before we head off early in the morning. Again, please make sure to pack a cut lunch, black sports shorts, water bottle, trainers, and a bucket hat! TKKM singlets will be provided 😊

## POITUKOHU

Basketball season is just around the corner, and I've noticed an increase in our ākonga playing the game during whakatā. Therefore, if there is enough interest, we will look to enter teams in for the winter season. If your child/ren is interested in playing, please contact the tari and register their name/interest with Whaea Janis. I will be leading this...

## World Vision

TKKM o Tuia te Matangi has been invited to attend the World Vision International Youth Conference, being held in Christchurch from 17-19 March. This event is aimed at Yr11-Yr13 students and it provides young Nzers with the opportunity to consider injustice in our world, and find their place and influence within it – then equips them with the necessary tools to take meaningful social action locally, nationally, and globally while building their personal leadership skills and character.

I will be communicating directly with Kaiurungi parents and ākonga regarding organisational factors, and on our return, the ākonga will write a brief account for the next HPM edition, from their haerenga, and the benefits of their attending the conference.

Te Mana Kaha o te Whānau is a whānau-driven movement that has a focus to explore ways of enabling a stronger Māori response to reduce and eliminate family harm/violence. Watch this space!

**POUAKO ONLY DAY THIS FRIDAY, 28.2**

We will be offsite for PB4L training. The kura will be closed
